RESOURCE PLATFORMS

Youth Hub (European Parliament)

<https://youth.europarl.europa.eu/home.html>

The platform of the European Parliament bundles their offers for young people and educators, e.g. about the European Youth Even (EYE), Youth seminars. The Youth Hub is available in the 24 official languages of the EU.

Together.eu (European Parliament)

<https://together.europarl.europa.eu>

Together.eu is a paneuropean community to strengthen democracy skills of young people and get them active by offering workshops, talks and other activities. The platform is available in the 24 official languages of the EU.

Ask the EP (European Parliament)

www.europarl.europa.eu/at-your-service/en/stay-informed/citizens-enquiries

If you want to find out more about the activities, powers and organisation of the European Parliament, you can contact the Citizens' Enquiries Unit (Ask EP). The platform is available in the 24 official languages of the EU.

Have your say (European Commission)

https://ec.europa.eu/info/law/better-regulation/have-your-say_en

Citizens and businesses can share their views on new EU policies and existing laws on this platform.

Co-funded by
the European Union

World Forum for Democracy (Council of Europe)

<https://together.europarl.europa.eu>

Platform in French and English for political decision-makers and activists to debate solutions to key challenges for democracies worldwide. By identifying and analysing experimental initiatives and practices, the Forum highlights and encourages democracy innovations at the grassroots and their transfer on a systemic level in order to strengthen the foundations of democratic societies.

Debating Europe

www.debatingeurope.eu

On this platform, a community of 330,000 mainly young readers can make contributions to (written) debates on specific European policy topics or start a debate on a new topic themselves. The platform moderators involve decision-makers and experts in the debates and communicate their views.

Youth Reporter

www.youthreporter.eu/en

youthreporter.eu is an online service run by JUGEND für Europa, Germany's National Agency. On the site, young people report on their stays in European countries. They talk about everything they encounter during what is an exciting time in their lives. The platform is available in German, French, English, Dutch, Spanish and Polish.

Café Babel

<https://cafebabel.com/en>

Café Babel is a platform for participatory journalism of young Europeans

European Youth Goals

<https://youth-goals.eu>

The eleven Youth Goals are the outcome of the Youth Dialogue process with over 50.000 young people in 2018. They represent views of young people from all over Europe and are part of the EU Youth Strategy. The Youth Goals show in which areas change still has to happen so that young people in Europe can use their full potential.

What does Europe mean for the European Youth (United)

<https://unitedfia.org/publication/views-from-the-field-what-does-europe-mean-for-the-european-youth/>

This document contains a summary of the actions organized in the framework of the project "Youth Debating the Future of Europe (U4EU)" in nine European countries from September 2021 to June 2022.

Compass – Manual for Human Rights Education for young people.

www.coe.int/en/web/compass

The manual includes a comprehensive introduction to human rights education. In addition, it contains 58 exercises that familiarize young people with various human rights topics (citizenship and participation, gender, globalization, media, migration, discrimination ...) and encourage them to put what they have learned into practice. Teachers or trainers are familiarized with the most important instruments and actors in human rights protection as well as with central human rights documents.

European Heart Project (Erasmus+ project)

<https://european-heart.eu>

In the European Heart project, materials are being developed for schools with which 13 till 16 year old pupils can acquire and train democratic skills. The products are suitable for bridging cultural, religious and political diversity of pupils, reducing the propensity for violence in classes and thus significantly facilitating class management. The platform is available in Greek, Swedish, French, English and German.

Resilience against Anti-Democratic Tendencies through Education. (Discoproject)

www.isp.org.pl/en/publications/resilience-against-anti-democratic-tendencies-through-education | www.isp.org.pl/pl/beyond-us-and-them

This handbook focuses on competences for democracy and thus on how to prevent and avoid anti-democratic phenomena like authoritarianism, violent radicalisation, extremism, hate speech or conspiracy theories. Material is available in English, French, German and Polish. The podcast "Beyond Us and Them. Podcast on radicalization in the times of social polarization." is available in English.
